

**CINOS**

Believe in Excellence

# Helping you spread the costs with our funding options

Why not get immediate access to the latest products and solutions from Cinos and pay for it in affordable monthly rentals with fast, flexible funding options from our finance partners Reality Finance.

Finance is a smart and cost effective alternative to using cash to acquire the latest technology your business needs. We have partnered with the UK's leading asset finance specialist, Reality Finance to offer our customers an affordable, tax-efficient, flexible and easy solution to assist in the funding of all their purchases.

# Helping you spread the costs with our funding options

## The Benefits

- Spread your equipment costs over 2, 3, 4 or 5 years.
- Recognise the benefits of using your equipment now without the upfront costs of outright purchase.
- Every payment made on a rental is 100% tax allowable and VAT can be reclaimed.
- All administration is facilitated by Reality Finance. Credit decisions and approved pricing can be issued on average within 4 hours.
- Conserve cash and use it to grow your business.
- Facilities are suitable for brand new, owner-operated businesses through to multinational companies.

## Why Reality?

- With their extensive banking & underwriting expertise plus their hands on experience in multiple sectors, Reality will listen to your goals and identify a solution that's tailored to your business.
- Reality Finance have one of the highest acceptance rates in the market - over 90%.
- Reality Finance can often fund what others cannot. They are a principal lender in their own right plus they have an extensive network of funding lines including 25+ banks, credit houses, peer to peer platforms & private backers.
- Reality Finance offer quick turnaround on finance decisions and aim to give decisions within 24hrs.

### About Reality Finance

Reality Finance is one of the UK's leading independent asset finance companies. Since their founding in 2000, they've built their business by partnering with vendors like us to provide our customers with flexible asset finance.

Reality are proud to help diverse organisations — from start-ups, SMEs and corporates to public sector agencies in almost every sector — obtain funding for everything from office equipment, IT and refurbishments to machinery, vehicles and more.
